

Dear Friends and Family,

I pray this letter finds you and your family well. I have been given the opportunity to go to Belize on a medical mission trip. On June 16th, our team will be leaving the states for a trip to villages in Belize located in Central America.

Belize is a third world country and is in much need of medical attention. Our team of doctors, nurses, and lay people will devote their time in treating and teaching many children and their families. Our team will take the medications, vitamins, and supplies to the people who do not have the opportunity or means to see any medical personnel. The team will also study, teach and preach the message of Christ while in Belize.

Those going on the mission trip are being funded entirely through donations. Everything that will be used on the trip must be taken with us. This includes all of the medical supplies, medicines, syringes, bandages, Bibles, etc. Every penny collected will be used to directly benefit the children of Belize. Any unused supplies will be left with the missionaries and Churches.

I am excited about the opportunity to serve and to minister, and I ask you to join me in ministry. I am seeking your support and prayers for this mission trip. If you are able to assist monetarily with this trip, I would ask that you forward any donation to me with checks payable to "Maury Hills Church Belize Mission." An accounting of all funds will be available, should you desire to see it, upon our return from Belize.

I thank you in advance for your prayers and your financial support. May God bless you richly!

Sincerely,
